

Hi Danielle -

You now have all the tools, links, graphics and info you need to be a successful ZEGO Affiliate!

In case you missed all the legal information on the program, you can access ShareASale's nitty gritty affiliate agreement [here](#). And, remember that payouts happen in any month where you have accumulated at least \$50 in commissions. Earnings under \$50 rollover to the next payout date until the \$50 is reached.

And remember, as an affiliate, you receive 25% off any products (excluding the sampler packer) when you use the discount code **affiliate2019**. Please use this code when ordering products for yourself and for sharing ZEGO with your family and friends.

As always, if you have any questions on our affiliate program, or have any promotion ideas or suggestions, please email us at [affiliate@zegosnacks.com](mailto:affiliate@zegosnacks.com).

We appreciate you being ZEGO affiliate. We'll continue to email you when we have special product promotions and have new images for you to share with your friends and family.

Have a nourishing day!
